► Boat Raft-Up Party

- Open Water Area North of the RRA Clubhouse

This party is opened to all **Roaming Shores Members & Friends**. The Raft-up is a social event on the water. Everyone is requested to bring a snack to pass and your own beverage. The Theme is **"Music on the Water"** & everyone is encouraged to bring an instrument to play or just their good musical Voice.

The purpose of the event is to bring neighbors together onto the water for enjoyment. We had seven boats participate last year. If you do not have a boat, you are still welcome. We will match you up with a boater. We need to know how many are coming in order to plan the Raft-up, so please contact Tom O'Keefe at 563-4817 or tpokeefe01@msn.com to come. Hope for good weather & maybe a beautiful sunset.
