NOTES TO FINANCIAL STATEMENTS

BACKGROUND

RomeRock Association, Inc. (the Association) is a homeowners association incorporated on June 17, 1966 under the nonprofit laws of the State of Ohio. The Association was formed to operate, manage, maintain, and promote the common areas of Roaming Shores, a private lakefront community located in Ashtabula County, Ohio. The association consists of approximately 2,190 residential lots owned by homeowners and developers.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies is presented to assist the reader in understanding and evaluating the financial statements of RomeRock Association, Inc.

Basis of Accounting

The Association's financial statements are prepared on the cash basis. Under this basis, revenues are recognized when collected rather than earned, and expenses are generally recognized when paid rather than incurred. Consequently, accounts receivable due from homeowners, deferred revenues and accrued expenses are not included in the financial statements.

Cash

RomeRock Association, Inc. considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Equipment and Property Improvements

Equipment and property improvements are stated at cost and are being depreciated using the straight-line method over their estimated useful lives of the assets ranging from five to thirty years.

Income Taxes

The Association elects on an annual basis to file its tax return as either a regular corporation or as a homeowners association under Section 528 of the Internal Revenue Code. For 2011, the Association elected to file under Section 528 of the Internal Revenue Code as a homeowners association.

The Association's forms 1120-H, U.S. Income Tax Return for Homeowners Associations, for the years ending 2008, 2009, 2010, and 2011 are subject to examination by the IRS, generally for 3 years after they were filed.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Future Major Repairs and Maintenance

The Association's governing documents do not require the accumulation of funds to finance estimated future major repairs and replacements. The Association has not conducted a study to determine the remaining useful lives of the components of common property and estimates of the costs of major repairs and replacements that may be required in the future, nor has the board of directors developed a plan to fund those needs. When funds are required for major repairs and replacements, the Association plans to borrow, increased assessments, or delay repairs and replacements until funds are available. The effect on future assessments has not been determined.
