We are a community club that holds an annual plunge into the icy waters of Lake Roaming Rock. Due to the restrictions placed on the use of the Clubhouse due to covid, the 2021 plunge will be open this year only to club officers, members and one representative from each school. It will be shared via Facebook at Joeythepolarbear and Fans of Roaming Shores.

We raise money for local charitable organizations, including: The Jeffrey B. Meddock Memorial Scholarship at Pymatuning Valley Schools, the Jefferson Area Local Schools Academic Boosters, Grand Valley Schools student programs in memory of Emily Plickert and the Roaming Shores Kids Christmas with Santa event. Please help us support the children of our village and surrounding communities.
