

**RomeRock Association, Inc.**  
**Culvert Application**

Only the RomeRock Association is authorized to approve installation of culverts for driveways and/or roadsides on Association-owned roads. *Spec.: All culverts must have a minimum 12" culvert size, should not be smaller than neighbor's pipe. A minimum 1" fall for every 10ft pipe. The pipe must be staked down and covered with stone or dirt ASAP so it doesn't float. A minimum of 1 cleanout per lot. If 3 or more pipes intersect a catch basin must be installed.*

Lot #: \_\_\_\_\_ Street: \_\_\_\_\_
