### PROJECT HELPING HAND:

In conjunction with the Community Clean Up Day scheduled for May 4, 2024 and to further serve the community of Roaming Shores we would like to announce year two of Project Helping Hand. On May 3, 2024, the Roaming Shores Police Department in partnership with the Roaming Shores Utility Department will be offering a helping hand to residents who are physically unable to move or transport miscellaneous and unusable items from their residence to the collection site located at the Clubhouse.

Those who are eligible and wish to take part in this program must contact the police department prior to April 30, 2024 indicating the items in which you would like to have removed. Upon contacting the police department, an officer will schedule a date and time to visit your residence to determine how much of and if the unusable items can be removed. Following the inspection of the items, the officer will then place your name and address on a list citing the items to be picked up on the 3<sup>rd</sup>.

If participating in Project Helping Hand you **MUST** be present at your given address from 9 AM to 1 PM on May 3, 2024 for pick up purposes. If you are not at the given residence during this date and time the items will not be collected.

Unacceptable items are as follows: tires, refrigerator appliances, batteries, barrels or drums containing liquids, bullets or shells, commercial waste, dirt, rocks, bricks, tree stumps, combustible liquids, hazardous waste, toxic materials, paint cans, yard waste, food waste and gas cylinders.

If you have any questions, please feel free to contact the Roaming Shores Police Department at (440) 563-3135 or by email at [rspd@roamingshorespd.org](mailto:rspd@roamingshorespd.org)
