

Roaming Shores Police Department's Cardboard Boat Workshops

Saturday, June 13th 2026

&

Saturday, June 27th 2026

12:00 to 2:00

In past years, all of those who have participated or attempted to participate in the boat race have come to understand the difficulties in securing the time and materials needed to construct a cardboard boat. In attempts to better secure materials and allow the necessary time needed for the construction of one's boat, the Roaming Shores Police Department will be hosting two Cardboard Boat Workshops scheduled for June 13th and June 27th from 12:00 to 2:00. The workshops will be held at the clubhouse, tentatively at the small pavilion by the covered bridge. During these workshops, the police department will provide cardboard and various assembly materials to all of those in the community who wish to participate in the 2026 Cardboard Boat Race.

If you have any questions, please contact the Roaming Shores Police Department at 440 563-3135 or by email at rspd@roamingshorespd.org
